The VARA Golf Classic took place on May 30th at the GMNGC on rte. 100 in Killington VT.

Many thanks to all the teams who showed up despite the unruly weather forecast! The rain, thunder and lightning stayed away throughout the event. Sixteen teams rallied to play a best ball, shotgun start, tournament. There were great prizes and product donations for the participant raffle. The players were able to complete all 18 holes with no weather interruptions and enjoyed an excellent BBQ dinner while waiting for awards.

Bobby and his staff at the GMNGC were amazing hosts in their typical accommodating style. Many thanks to all at GMNGC. Brad Williams of World Cup Supply was a silent hero. To prevent dehydration he supported participants with 2 beverage tickets each.

Thanks to all the hole sponsors who supported the event! We are reminded of your generosity each fall when we award merit scholarship recipients at the VARA Gala.
