

Below is the VARA State Championship Schedule for the U16 and U14 age groups for 2015. Each council, [SVC\(SMVC\)](#), [MVC](#) and [NVC](#) all coordinate their respective schedules. VARA does not plan or organize scheduling for the council series. In addition, each council has a number of similar rules however they are not all the same across the councils. These may also be found on the council pages. Please be sure to make note if you are reading the updated version. Councils may not have finalized versions at this time but will by OCT 1st. If you have questions regarding a council schedule or rule it is best to contact your coach or club first then the council chair. Council information can be found on the VARA website and they are hyperlinked above.
