State Quotas and Gender Splits

Vermont quotas for U16 (i.e., U16 Eastern Regional Championships, U16 Eastern Finals), will be allocated among girls and boys based on the current statewide gender split. The gender split will be determined based on the number of competitors in Vermont after the first weekend of February.

Parent/Spectator Clause

Any issues parents or spectators may have involving rules set by VARA, The Race Organizing Committee, Alpine Officials, the Jury, the race site or USSA while at a sanctioned council event, VARA States or Shootout must be handled by the appropriate coach before being brought to the Race Organizer, Alpine Officials/Jury, registration volunteers or VARA. The athlete's coach must represent the competitor regarding the issue not his/her parent.

Petitioning Athletes Skiing DOWN

Except for approved petitioning athletes, all racers will follow established USSA age classes. For an athlete to be considered for skiing **down** an age class at the council level they must first be approved by their council. A request from the Program Director is sent to the Council Chair and VARA Executive Director for a council vote. There are three areas as guidelines in considering a ski down athlete: Physical Maturation, Mental Maturity, and Physical Condition. If approved through the council that request is then sent to the VARA CDC on or before December 15, 2016. The VARA CDC will review the request and respond to the council chair no later than Dec. 23, 2016.

If an athlete is approved they will follow council and VARA rules for that age class. Petitioning Athlete (PA) may qualify for states in the age class in which they are competing. The following conditions apply:

1. PA will be considered and treated as any other participant in that age class.
2. PA may ski in the state championships but will not advance to a USSA post season event.
3. PA will be seeded at states according to their council placement.
4. PA will be presented with award if so earned.
5. PA will be purged from results for selections to post season USSA Championship events.
6. PA will compete in only one VT state championship series. The field size for states will not exceed 5 athletes to accommodate council PA requests.

VARA will not accept requests for athletes to ski up into the U16 age class.
