Team Rules:

Each athlete will be assigned to a team. Each athlete will take two runs. Their single fastest time will contribute to their team's time. The team's time will be the average of all of the member's best times. The winning team will be the team with the lowest average time. Medals will be given to every member of the 1st, 2nd and 3rd place teams. There will be no individual awards.

Team sizes will be approximately 17 athletes. Big clubs will be randomly broken into multiple teams. Smaller clubs will be given the option of banding together into fusion teams.

Each team will contain both boys and girls, as evenly as possible.

Each team will run as a group. That is, all members of BMA1 will run with consecutive bibs. The start order for the teams has been randomly determined. Likewise, the start order within each team has also been randomly determined.

As per NVC U12 Rules, the second run start order will be the reverse of the first run start order.

Teams are required to come up with a cool team-name. Teams are encouraged to come up with team songs, logos, mascots, costumes, etc.

DNS athletes will not be included in the team scoring.

Athletes who DNF or DSQ both runs will be assigned a time that is two seconds longer than the best time of the slowest athlete in the race.

Have Fun! Get Psyched!
