Medical Plan for Practice Slope/Race Hill

Race Venue:

The race venue (Practice Slope/Race Hill) is located on the North side of the base area. The venue and trail is staffed and patrolled by Mad River Ski Patrol. There is a patroller at the start during all races. This is the primary response to an injured athlete. The primary sled cash is located at the top of Lift 4, the Practice Slope/Race Hill. Secondary response can arrive via staffed patrol/first aid locations at Starks Nest and/or the top of the Double. All ski patrol can be contacted via mountain radio, channel 2 or via dispatch at 802-496-3551, ext 110.

Mad River Glen maintains a first aid station and examining room in the Base Area. This facility is used to examine skiers taken off the slopes by Patrol, and here Patrol will determine if a patient needs further attention, either via ambulance (Mad River Valley Ambulance Service) to Central Vermont Medical Center in Berlin, VT (CVMC-35 minute drive, 29 miles), the Fletcher Allen Health Care Clinic at Lincoln Peak (10 minute drive 7.5 miles), or Fletcher Allen Health Care Hospital in Burlington, VT (55 minute drive, 45 miles).

In case of injury:

- Ski Patrol is contacted either by calling patrol on Mountain Radio, Channel 2; by calling administration/dispatch at 802-496-3551 ext 110; or by informing the patroller at the start.
- Ski Patrol is notified of the location and nature of the injury.
- Once on scene, Ski Patrol follows Mad River Glen protocol for patient care, including, but not limited to: first aid, CPR, sled transport and notification of ambulance or helicopter evacuation.
- Depending on the severity of the injury, the patient will be transported to the base area for evaluation and/or transport to the FAHC clinic (10 minutes away by car, 7.5 miles), CVMC (35 minutes away by vehicle transport, 29 miles), Fletcher Allen Health Care (55 minutes away by vehicle transport, 45 miles) or Dartmouth-Hitchcock (1 hour, 37 minutes by vehicle transport, 85 miles).
- Helicopter service is provided by D.H.A.R.T (Dartmouth-Hitchcock Advanced Response Team) and is coordinated through Mad River Valley Ambulance Service. Primary landing site is the Mad River Valley Ambulance Service headquarters in Waitsfield, Vermont (8 minutes by vehicle transport, 5.5 miles). Alternative landing sites include Mad River Glen parking lot, and Moretown Elementary School (18 minutes away by transport, 11 miles)
