- Develop proposals and formulate recommendations for presentation to the Vermont Alpine Racing Association (VARA) and VARA's Alpine Competition Committees,
- Discuss and resolve specific race or racer-related issues,
- Establish the race schedule for the season,
- Establish SVC selection methods for state and regional projects/events,
- To review Council, VARA, and US Ski & Snowboard rules and regulations governing ski racing and to formulate appropriate rules and regulations for the various age classes and all Council-sponsored races.

2022/23 Age Class by year of birth (YOB):

U18	2005-2006
U16	2007-2008

U12	2011-2012
U10	2013-2015

Betty Clayton U12/U10 League Race Series:

The Betty Clayton U12/U10 League has two separate race series, one for U12 racers: YOB 2011 and 2012, and one for U10 racers- YOB 2013 and 2014. Second year U8s (YOB 2015) are permitted to race in U10 races. In accordance with USSA & VARA rules, racers 7 years old and younger (YOB 2016 & younger) may not compete in any US Ski & Snowboard or VARA event.

The U10 and U12 races are entry-level races in the SVC. The SVC was created to promote and sustain greater interest in ski racing and to make Council sponsored races more exciting and fun for all racers, regardless of ability. Age and ability appropriate races are scheduled for junior racers, with awards based on combined run times. Awards are given for the top 10 boys and top 10 girls in each U12 and U10 race.

U12/U10 races shall start on or after Jan 15, 2022.

The League is named in memory and honor of Betty Clayton, former Program Director of the Bromley Outing Club, in recognition of her tireless dedication and commitment to junior ski racing.

Southern Vermont Council U14 Race Series:

The Southern Vermont Council Race Series is designed for Junior racers 12-13 years of age interested in participating at a level of competition leading to State, Regional, and National Championships. Age-appropriate races are scheduled for the age class (U14: 12-13 yr olds-YOB 2009 and 2010) racing in the Council Series. Awards are presented at each race based on combined run times. For each age group the top 10 boys and top 10 girls receive an award.

All Southern Vermont Council junior racers, provided that they participate in at least two (2) of the SVC competitive events (not including council camps), are eligible to compete at the Vermont State Championships.

A council approved PA (Petitioning Athlete), which is U12 or U16 competing in the Southern Vermont Council U14 Race Series, may be selected to compete in the U14 State Championships to represent the Southern Vermont Council with VARA & US Ski & Snowboard approval. PA's will not displace qualified U14 athletes.

Please refer to the VARA.org calendar for additional rules and requirements for Vermont children's racing.

Timing of Runs: Racers are individually timed on each run. All runs are electronically timed, with two back up timing systems used in accordance with US Ski & Snowboard timing guidelines.

- Maintenance of an up-to-date race results file is extremely important for the naming of Council Teams to the State Championships, for selection of racers for participation at VARA and US Ski & Snowboard camps, etc.

ADDING/RESCHEDULING RACES DURING THE SEASON:

- The addition or rescheduling of a race in the Council schedule requires the Program Director of the mountain seeking to add/change a race to notify the Council Chair who shall poll all of the Program Directors as to whether the race should be added/changed. Majority vote rules.
- The Program Director of the mountain seeking to add/change a race will be informed by the Council Chair of the outcome of any vote taken.

INJURY CLAUSE:

- The SVC will make a decision on all Injury Petitions on an individual basis.
- SVC will decide the validity of the petition. If a petition has been determined to be valid, then the position in the SVC Series Standings will then be determined. The athlete will then be placed in the current standings.
- Any injury petition must be accompanied by a doctors' note at a minimum.
- The injury petition must be submitted to the SVC council chair at least 5 days prior to the last SVC Series event in the age class to let the SVC have time to review and decide on the outcome.
- Petitions may only be submitted by the Program Director of the club that the athlete is registered with.
- The Program Directors will have 48 hours from the time of the petition distribution to vote.
- The Majority vote will determine the petition outcome, regardless of number of votes cast.

SVC RACING OUT OF AGE CLASS POLICIES AND PROCEDURES (Petitioning Athlete-PA):

- In order for an athlete to race out of age class, the PA procedure must be followed.
 - PA Procedure:
 - The Program Director interested in having one of their athletes race out of age class is to contact the Council Chair via email and provide a written rationale or justification for the PA request with supporting evidence by December 31st.
 - The PA request can also come from the Program's Head Coach, but only after consultation with and approval by the Program Director.
 1. Letters submitted directly via email to the Council Chair from the racer's parent(s) or coach will not be considered.
 2. The Council Chair will distribute the PA request with evidence to each SVC Program Director.
 - The PA request should consider the following:
 1. Physical Maturity/Condition
 2. Mental Maturity
 3. Training Age.
 - Each Program Director will then vote as follows or ask for more information:
 1. **Yes.** Voting 'yes' is stating that the Program Director approves the PA Request for an athlete to ski out of age class.
 2. **No.** Voting 'no' is stating that the Program Director does not approve the PA Request for the athlete to ski out of age class and should remain in their respective age group.
 3. **More information.** A Program Director may ask for more information regarding the athlete
 - The Program Directors will have 48 hours to respond with a vote.
 - The majority rules.
 1. The decision on the PA will be made without consideration for the number of votes cast within the two day voting period.
 2. The petitioning Program will be considered a 'Yes' vote.
 - The Council Chairman will vote only in the event of a tie.
 - The outcome of the vote will be reported back to all Program Directors.
 1. The voting is public and all votes submitted by the Program Directors will be attached to the decision.
 2. U14 and U12 PA ski-down's are granted by the council without VARA CDC approval.
 3. Skiing-ups and U16 PA ski-down's must be approved by the VARA CDC after council approval.
 - Considerations in PA Voting:
 - Program Directors voting on an Out of Age Class request should consider the following when reviewing the request.
 1. Is the athlete in question an 'exceptional' athlete?
 2. Will racing out of age class help this athlete further their development?
 3. Does the request meet one of the 3 PA Considerations? 1. Physical Maturity/Condition 2. Mental Maturity 3. Training Age.
 - If the PA request is approved by VARA, the PA may immediately compete in the next age class.
 - The athlete is then considered to be a member of the new age class and may not race in both aged class series.

- U14's may not race 'up' into the U16 age class.

PA Guidelines: Out of age class racers (PA's) will be eligible to receive awards and have their names and times included on the race results and will be part of the series standings.

- U12 & U16 racers racing with U14's in the Southern Vermont Council League Race Series are eligible for selection to the U14 Council Team for the U14 State Championship.
- U16 PA's skiing with the U14's are not eligible for Eastern Championship Selection or the Piche's Invitational
- U14 PA's skiing with the U12's are not eligible for the Piche's Invitational or U12 Invitational SL Project.
- U14's are not eligible to 'ski up' with the U16's.

OUT OF COUNCIL RACERS:

The intent of allowing out of Council racers to participate in Council-sponsored races is to further the sport of ski racing. Customarily, out of Council racers are also racers from out of state.

The inclusion of an out of Council racer in a Council-sponsored race occurs on an infrequent basis. In some cases, an out of Council program may want to send a limited number of its racers to a Council-sponsored race to test the waters or to have its racers gain additional race experience. In other cases, a racer may be visiting a program to determine if he or she wants to join that program. If the visit coincides with a time that a race has been scheduled, the visiting racer may want the opportunity to participate in a race with his/her future teammates.

The following rules apply to those limited number of cases involving an out of Council racer.

- Out of Council racers or a representing coach can petition the SVC Chair to enter a Council-sponsored U14, U12 race. Out of Council guests are not permitted in SVC U10 events.
- The number of Out of Council racers allowed will be limited to 6.
- The SVC Chair will request a vote from the SVC to determine participation.
- Out of Council racers must meet the same US Ski & Snowboard membership requirements as SVC and Clayton League racers, and have a valid competitor's license.
- A VARA membership or a State governing body membership is required for all out of Council guest racers.
- The membership status of non-Council racers must be determined when arrangements are being made for the inclusion of the racer(s) in a Council-sponsored race.
- Out of Council racers must have coach representation at the Team Captains meeting.
- Out of Council racers are to be included in the random draw for the first run. Second run start order will be based on the specific second run start order used in that age class.
- The out of Council racer's time(s), finish place, and home program/mountain are to appear on all published race results.
- Out of Council racers, regardless of run times and finish places, are eligible to receive awards.
- All out of Council racers must be excluded from all calculations of place points for selection of the Council Teams. Place points for each run must be calculated as if the out of Council racer(s) did not participate in the race.
