This is a video about Nathan and the race: https://youtu.be/PNzk_-EE0lw

What is the Nathan M. Carreira Memorial Race?

- A panel slalom scored ski race for USSA registered members hosted by the Stratton Mountain Winter Sports Club to honor Nathan Carreira's (2003-2018) memory.
- Nathan was an accomplished alpine racer who took his own life in March 2018. At the time of his passing, a group of Nathan's closest ski friends decided a race event would be the best way to celebrate his life because he was so passionate about skiing and smiled brightest on the slopes.

When is this year's event?

- The second annual race is taking place on March 15th, 2020 at Stratton Mountain; Last year the race attracted over 220 racers and this race is expected to exceed last year's numbers. The event attracts racers from the Southern Vermont community and New England along with their spectating parents, siblings and friends.

Why should you support this event?

- The goal of this event is to have a fun, annual ski race that strengthens and builds community while celebrating Nathan's life and his love for skiing. The event is also an opportunity to educate the community about teen suicide and ways to help.
- Funds raised from the event will go to the Nathan M. Carreira Endowment Fund at the Stratton Foundation. The Stratton Foundation's mission is to assist local children, teens, and families in Southern Vermont, helping them meet basic human needs in order to live a safe and fulfilling life. Nathan's endowment is a branch of the foundation supporting mental health & wellness, education and training for Southern Vermont children and their families.
