In an effort to implement SafeSport guidelines and maintain the safest race environment possible, USSS, VARA, SVC and Stratton restrict the race area (including the finish corral) to key personnel – athletes, coaches and staff. Spectators will be allowed in proximity to the finish corral only to the extent that these guidelines can be maintained. Racers live times and unofficial standings will be available in real time via Live Timing; please be aware that Live Timing only represents the data from timers and not the actual race results.
