**Spectator Areas:** Designated spectator areas for the SG and GS are located at the finish area on the lower section of Inverness as well as at the exit of Brambles (for SG only). The upper spectator area is reserved for advanced skiers only as access requires riding the Green Mountain Express chairlift, traversing over to Inverness and skiing down the upper section of Inverness.

Vermont State Law requires the use of safety bars on all lifts. Athletes and coaches not using safety bars will have their lift tickets/passes revoked and will be removed from the event.

U.S. Ski & Snowboard works to provide a safe environment in which athletes can train and compete, free from abuse and inappropriate behavior. Please review U.S. Ski & Snowboard [Athlete Safety](#) policies, the [SafeSport Code](#), and the [Minor Athlete Abuse Prevention Policies](#).

If you are an athlete who has experienced inappropriate behavior or know of an athlete who has experienced inappropriate behavior, please report to the [U.S. Center of SafeSport](#) or [U.S. Ski & Snowboard](#). All adult participants are mandatory reporters. Reporting violations may be made anonymously and there are no fees for reporting. We all are part of promoting a culture of safety through education, listening, and speaking up.

**Parking:** Please follow the direction of the parking lot attendants when they are present. The designed drop off / loading / unloading lot should be used only for those purposes. Lot 6 is reserved for van parking.

**Bag and Ski Storage:** The Mt. Ellen Lodge is open to visitors. Athletes can boot up in the lodge, but due to limited space, we ask that bags be stored outside (bottom of T-Bar) or in your vehicle.
