**Registration, Bib Pickup, Lodge Space:** Please collect your bib from the registration table in the SNSC Clubhouse next to the T-Bar on Sterling Mountain between 7:15-8:45 AM. Cash or check will only be accepted at registration. Please use the Base lodge to get ready and store your gear because we have limited space in the ski club and a full slate of weekend programs taking place. If you wish you can use the upper warming hut to stay warm and wait for you run.

**Directions to Smugglers:** Smugglers Notch is located on route 108 S. The only access is from the North during the winter since the notch road is closed. From Route 15 you turn onto route 108 S in Jeffersonville and follow it up to the Smugglers Notch Resort. To get to the upper mountain you continue past the main entrance to the resort up route 108. Parking will be on your right and the driveway to the base lodge will be on your left. If you wish you can continue past these options to the upper parking lot which is around the corner up to where the notch road is closed (this is ski in and out access only)

**Parking:** Parking is available in the two main lots across from the base lodge driveway. The Upper Parking lot is available for racers or coaches that want to ski from their car and ski back to it at the end of the day. Please don't park in the club member parking lot at the end of our driveway.
