

**VARA GOLF CLASSIC**  
May 31, 2016

**Green Mountain National Golf Course**  
Killington, VT  
[www.gmngc.com](http://www.gmngc.com)

The VARA Golf Classic is firmly entrenched as a VARA tradition. For VARA supporters who participate in the tournament it offers a chance to get together in a non skiing environment and is a great mix of social and competitive golf. Past tournaments have drawn a vast array of participants including many VARA Legends and Olympians.

The support of industry, club programs and involved VARA families is what makes this tournament a successful part of VARA's fund raising campaign, which in turn directly supports Vermont athletes. Proceeds from the VARA Golf Classic help to fund programs for Vermont ski racers and are essential for **athlete aid**. Vermont athletes experience a variety of support ranging from paid entries to direct support for travel expenses.

Help make this the biggest tournament ever as we celebrate a very successful season in which VARA skiers podiumed and placed well at championship events across the age classes!! VARA athlete results are a testament to the hard work and dedication of VARA programs and clubs. Because of your past support for the Golf Classic, VARA has been able to financially assist USST (unfunded athletes) and up and coming US Ski Teamers as well as provide in-season travel aid to help kids get to championship events. Your commitment to the Golf Classic will help VT athletes realize their goals. Please help us continue with this very important tradition. I hope to see some NEW faces this year at GMNGC!

See you at the Golf Classic and if you cannot make it please consider a donation or support a hole.
