<http://www.signupgenius.com/go/70a054aadac2caa8-nysefgore>. You will need to check in at registration by 8AM to sign a waiver and get instructions (If working registration please arrive by 7:15am). The gatekeepers' meeting is at 8:15AM in the training center. If conditions require extra hill help, we will post a notice at registration where you can sign up. Reminders there are NO gatekeepers for Super-G events.

Coaches Corner: You must be a USSA accredited coach in order to receive a ticket (USSA current, State association, and currently employed with a mountain racing program). Please bring current Mtn Employee pass & USSA card printed to speed up your check in. All athletes must have representation at the captains meetings. We request that clubs try to keep the coach to athlete ratio at 1:7 (when possible). If you have questions, give us a call 518-251-2825.

Athlete Conduct: We anticipate that all athletes attending the USSA U19 East Finals will be well behaved. Gore Mt. Ski Center is a wonderful host to ski racing and we work hard to produce ideal race trail conditions for all of our races. We ask that all athletes, coaches, and parents treat the Gore Mt. personnel and the skiing public politely on the hill and in the lodge. This includes respecting the mountain and not littering. Our ski patrol requires the use of the safety bar on the chair lifts and requests that racers control their speed on open public trails. Absolutely no tucking anywhere off the race trail or skiing on super-g skis on a non-netted trail. The patrol is very strict. Lost or pulled Credentials will not be replaced. The lift attendants need to be able to see your Credential at all times, even when wearing a speed suit.

Parents and Families: There are discount vouchers available at the training center during registration each day, they are good for the group rate at the mtn. Best is purchased multi day mid week for the best value. Please remember during speed events there are no parents or skiing public allowed on ECHO. This is for the safety and concentration of your athletes. Enjoy your time here in the North Creek area!

Awards: Award times will be announced soon. Awards will be given out to the top 10 men and top 10 women overall for each event.

Lodging/Eateries: There are a number of places within 20 or 30 minutes of Gore Mt. spread throughout the Town of Johnsbury in the various hamlets. Nearby Chestertown, Indian Lake and Warrensburg also provide opportunities and are each about 15 miles away. Further are Lake George, Queensbury, and Glens Falls all about 40-45 minutes away (36 miles). Use www.goremountain.com and www.gorechamber.com.
