Each athlete will be assigned to a team. Each athlete will take two runs. Their single fastest time will contribute to their team's time. The team's time will be the average of all of the member's best times. The winning team will be the team with the lowest average time. Medals will be given to every member of the 1st, 2nd and 3rd place teams. There will be no individual awards.

Team size will be between 10 - 20 athletes.

BMA athletes will be randomly broken into two teams: BMA1, BMA2.

COCH athletes will all be on the same team: COCH.

GMVS athletes will be randomly broken into three teams: GMVS1, GMVS2, GMVS3.

JAY athletes will be combined with MMSC's half-team: MMSC/JAY

MMSC athletes will be randomly broken into two full teams and a fusion team with JAY: MMSC1, MMSC2, MMSC/JAY.

MRSC and SNSC will be combined into one team: MRSC/SNSC

Each team will contain both boys and girls. Half of the BMA boys will be assigned to BMA1 and half will be assigned to BMA2. The same will be true for the girls, and the splits will be done the same way for GMVS and MMSC.

Each team will run as a group. That is, all members of MMSC1 will run with consecutive bibs. The start order for the teams has been randomly determined. Likewise, the start order within each team has also been randomly determined.

Teams are required to come up with a cool team-name. Teams are encouraged to come up with team songs, logos, mascots, costumes, etc.

DNS athletes will not be included in the team scoring.

Athletes who DNF or DSQ both runs will be assigned a time that is two seconds longer than the best time of the slowest athlete in the race.

Please contact [diverson@burkemtnacademy.org](mailto:diverson@burkemtnacademy.org) with any questions.

(The format of this race was changed from a four run dual to a two run single course in order to meet USSA vertical drop limits for U12's.)
