The Betty Clayton U12/U10 League is for Junior racers ages 10-11 years of age (U12: 10-11 year olds-YOB 2010-11. In accordance with USSA & VARA rules, racers under 7 (YOB 2015 & younger) years of age may not compete in any US Ski & Snowboard or VARA event. These races are entry-level races in the SVC. The League was created to promote and sustain greater interest in ski racing and to make Council sponsored races more exciting and fun for all racers, regardless of ability. Age and ability appropriate races are scheduled for junior racers, with awards based on combined run times. Awards are given for the top 10 boys and top 10 girls in each U12.

U12/U10 races shall start on or after Jan 15, 2022.

The League is named in memory and honor of Betty Clayton, former Program Director of the Bromley Outing Club, in recognition of her tireless dedication and commitment to junior ski racing.

**Southern Vermont Council U14 Race Series:**

The Southern Vermont Council Race Series is designed for Junior racers 12-13 years of age interested in participating at a level of competition leading to State, Regional, and National Championships. For each age group the top 10 boys and top 10 girls receive an award. All Southern Vermont Council eligible junior racers participating in the Council Series, providing they participate in at least two (2) of the competitive events (not including council camps), are eligible to compete at the Vermont State Championships.

A council approved PA (Petitioning Athlete) U12 or U16 competing in the Southern Vermont Council U14 Race Series may be selected to compete in the U14 state championships to represent the Southern Vermont Council with VARA & US Ski & Snowboard approval. PA's will not displace qualified U14 athletes.

For ease of use, all rules and regulations are arranged and presented by Race Series and, where appropriate, by age group classification.

Please refer to the [VARA.org](http://VARA.org) calendar for additional rules and requirements for Vermont children's racing.

# BETTY CLAYTON U12/U10 LEAGUE RACE SERIES

## JUNIORS 2010-2014 YOB

### **MEMBERSHIPS:**

All racers must have current memberships in VARA (Vermont Alpine Racing Association) and have a competition membership from the US Ski & Snowboard. 'General' memberships cannot be accepted at events. All racers must be affiliated with a council club or be a registered SVC Independent to be eligible for council standings. SVC Registered Independent racers that are not SVC club affiliated must pay an Independent Fee of \$25.00 to the SVC to race in the series.

### **EQUIPMENT:**

**Helmets:** The SVC complies with all rules and regulations of US Ski & Snowboard and recommends the use of helmets at all times. The US Ski & Snowboard requires helmets to be worn by all racers at US Ski & Snowboard-sanctioned slalom, giant slalom, and SG races, and requires full ear protection (no open/soft ear helmets).

U10's racing in SVC events may not race in an exposed GS racing suit in U10 SVC events. Jackets and full pants (no shorts) are required.

GS Suits for U12: The first U12 race of the season will be without GS suits exposed. Terrain Camp is not counted as a race.

Athletes racing in the Clayton U12 series events must follow all current US Ski & Snowboard rules. These current standards can be found on [US Ski & Snowboard Rules](#).

### **Seeding for Runs-U12:**

- The race field is divided into cells by clubs. Clubs (and athletes within the club) are placed on alphabetical order.

For example:

-First run; Start order by clubs (Alphabetical order by Club names, Last name of athletes)

-Second run; Full flip

1st Race/Mt Snow GS (BOC, Magic, MSA, MSTC, SWSC, Willard) per gender

2nd Race/Bromley SL (Willard, BOC, Magic, MSA, MSTC, SWSC) per gender

**Second Run Start Order:** Seeding for the second run will be reverse order of the first run. All finishers, DNF's, and DSQ's will included in the reversed start order. This includes dual events.

**Second Run Start Time:** Second run start time is determined by the host mountain. The second run typically begins one hour after the completion of the second run course set.

**Timing of Runs:** Racers are individually timed on each run. All runs are electronically timed, with two back up timing systems used in accordance with US Ski & Snowboard timing guidelines.

**Awards:** Based on the combined time of both runs in slalom and giant slalom. Awards will be presented to the top 10 boys and top 10 girls in the U12 age classes.

**Number and Format:** VARA recommend 2 SL, 2GS, and 1 project. 5 events total. All SVC U10/U12 slalom events will use 'stubbie' slalom gates. Prior to the first competition, SVC will run 1 day of skills challenge. No awards will be given on skills challenge.

**Timing of Runs:** Racers are individually timed on each run. All runs are electronically timed, with two back up timing systems used in accordance with US Ski & Snowboard timing guidelines.

**Awards:** Based on the combined time of both runs in slalom and giant slalom. Awards will be presented to the top 10 boys and top 10 girls in the U12 and U10 age classes. Awards are the responsibility of the host club and must be presented within 30min of completion of the event. Clubs may not present Ribbons as awards. Award ceremony should be held OUTDOOR only.

**Race Entry Fees:** The host mountain may charge up to \$ 35.00 per racer for SL/GS, \$40.00 for SG/terrain camps, \$45 for dual events. Fees are payable to the host mountain or club. These fees do not include any necessary online surcharges required by website.

**Submitting Race Results:** SVC clubs hosting events are required to have all races 'coded' prior to the event, and results must be submitted to US Ski & Snowboard and VARA post-event.

**Protocol for Parents:** SVC has asked that parents be racer supporters on race days. In order to allow each racer some quiet time in the starting gate to mentally prepare for his or her run, to develop his/her own personal pre-race ritual, and to receive any last minute instructions from the coaches, it is important that the start area be as least distracting to the racer as possible. For this reason, parents are not allowed in the start area or race arena.

Parents, racers, and coaches are not allowed to enter timing buildings for any reason during a race. Only those individuals authorized by the host mountain are allowed in the timing building.

## SVC RACING OUT OF AGE CLASS POLICIES AND PROCEDURES (Petitioning Athlete-PA):

- In order for an athlete to race out of age class, the PA procedure must be followed.
  - PA Procedure:
    - The Program Director interested in having one of their athletes race out of age class is to contact the Council Chair via email and provide a written rationale or justification for the PA request with supporting evidence by December 31<sup>st</sup>.
    - The PA request can also come from the Program's Head Coach, but only after consultation with and approval by the Program Director.
      1. Letters submitted directly via email to the Council Chair from the racer's parent(s) or coach will not be considered.
      2. The Council Chair will distribute the PA request with evidence to each SVC Program Director.
    - The PA request should consider the following:
      1. Physical Maturity/Condition
      2. Mental Maturity
      3. Training Age.
    - Each Program Director will then vote once for one of the following or ask for more information:
      1. **Yes.** Voting 'yes' is stating that the Program Director approves the PA Request for an athlete to ski out of age class.
      2. **No.** Voting 'no' is stating that the Program Director does not approve the PA Request for the athlete to ski out of age class and should remain in their respective age group.
      3. **More information.** A Program Director may ask for more information regarding the athlete
    - The Program Directors will have 48 hours to respond with a vote.
    - The majority rules.
      1. The decision on the PA will be made without consideration for the number of votes cast within the two day voting period.
      2. The petitioning Program will be considered a 'Yes' vote.
    - The Council Chairman will vote only in the event of a tie.
    - The outcome of the vote will be reported back to all Program Directors.
      1. The voting is public and all votes submitted by the Program Directors will be attached to the decision.
      2. U14 and U12 PA ski-down's are granted by the council without VARA CDC approval.
      3. Skiing-ups and U16 PA ski-down's must be approved by the VARA CDC after council approval.
  - Considerations in PA Voting:
    - Program Directors voting on an Out of Age Class request should consider the following when reviewing the request.
      1. Is the athlete in question an 'exceptional' athlete?
      2. Will racing out of age class help this athlete further their development?
      3. Does the request meet one of the 3 PA Considerations? 1. Physical Maturity/Condition 2. Mental Maturity 3. Training Age.
    - If the PA request is approved by VARA, the PA may immediately compete in the next age class.
    - The athlete is then considered to be a member of the new age class and may not race in both aged class series.
    - U14's may not race 'up' into the U16 age class.

**PA Guidelines:** Out of age class racers (PA's) will be eligible to receive awards and have their names and times included on the race results and will be part of the series standings.

- U12 & U16 racers racing with U14's in the Southern Vermont Council League Race Series are eligible for selection to the U14 Council Team for the U14 State Championship.
- U16 PA's skiing with the U14's are not eligible for Eastern Championship Selection or the Piche's Invitational
- U14 PA's skiing with the U12's are not eligible for the Piche's Invitational or U12 Invitational SL Project.
- U14's are not eligible to 'ski up' with the U16's.

#### **OUT OF COUNCIL RACERS:**

The intent of allowing out of Council racers to participate in Council-sponsored races is to further the sport of ski racing. Customarily, out of Council racers are also racers from out of state.

The inclusion of an out of Council racer in a Council-sponsored race occurs on an infrequent basis. In some cases, an out of Council program may want to send a limited number of its racers to a Council-sponsored race to test the waters or to have its racers gain additional race experience. In other cases, a racer may be visiting a program to determine if he or she wants to join that program. If the visit coincides with a time that a race has been scheduled, the visiting racer may want the opportunity to participate in a race with his/her future teammates.

The following rules apply to those limited number of cases involving an out of Council racer.

- Out of Council racers or a representing coach can petition the SVC Chair to enter a Council-sponsored U14, U12 race. Out of Council guests are not permitted in SVC U10 events.
- The number of Out of Council racers allowed will be limited to 6.
- The SVC Chair will request a vote from the SVC to determine participation.
- Out of Council racers must meet the same US Ski & Snowboard membership requirements as SVC and Clayton League racers, and have a valid competitor's license.
- A VARA membership or a State governing body membership is required for all out of Council guest racers.
- The membership status of non-Council racers must be determined when arrangements are being made for the inclusion of the racer(s) in a Council-sponsored race.
- Out of Council racers must have coach representation at the Team Captains meeting.
- Out of Council racers are to be seeded at the end of the first cell (U12's) or included in the random draw (U14's) for the first run of the specific race day. If more than 1 out of council guest is entered in the race, each athlete will be placed at the end of each cell or all included in the random draw. Second run start order will be based on the specific second run start order used in that age class.
- The out of Council racer's time(s), finish place, and home program/mountain are to appear on all published race results.
- Out of Council racers, regardless of run times and finish places, are eligible to receive awards.
- All out of Council racers must be excluded from all calculations of place points for selection of the Council Teams. Place points for each run must be calculated as if the out of Council racer(s) did not participate in the race.

#### **VARA Recommended Covid Keepers for Children's events from Last Season:**

- Keep activities outdoors only
- Zoom captains meeting night before Children's races
- Register on-line
- Team captain picks up bibs
- Use What's app for race info distribution
